

The Cat Came Back

Now old Mr. Johnson had troubles of his own

He had a yellow cat that wouldn't leave his home

He tried and tried to give that cat away

He gave it to a woman going far, far away

Chorus:

But the cat came back the very next day

The cat came back, we thought it was a goner

But the cat came back

It just couldn't stay away, away, away, away

He gave it to a farmer said he'd take it to a farm

The farmer drove the tractor with the cat under his arm

He dropped it in a cornfield thought it'd surely get lost

The cat ate up the corn at the farmer's cost

Chorus

He gave it to train conductor, put it on a train

New England's where the train was headed, up to Bangor, Maine

He pulled on the brake, those wheels screeched on the track

And as it ran away, conductor said, "Here kitty cat!"

Chorus
